

AVBT Application Agreement and Statement of Ethics 2024

Applicant Name:

Skills Assessment Supervisor Name(s):

I hereby apply to the Academy of Veterinary Behavior Technicians for examination in accordance with the guidelines set forth by the Academy for credentials evaluation and appeal; herewith, I enclose the \$50 application fee.

I also hereby agree that prior to or subsequent to my examination the Academy may investigate my standing as a veterinary technician, including my reputation for complying with the standards of ethics of the profession.

Per AVBT Bylaws Section 5.d : A description of the appeal process will be included with all applications. A candidate has 30 calendar days from their receipt of a notification of denial to appeal the decision. The appeal must be made by written petition to the AVBT Secretary and should include a statement of the grounds for reconsideration.

As an Applicant for the AVBT Credential process, by providing this form I confirm:

- I use methods which protect the physical and emotional welfare of people and animals at all times.
- I refrain from using methods which rely on intentional aversion, pain, coercion, or fear.
- I have completed every skill where my SAS's initials appear

All application materials including case logs, case reports, and all written or video content represent my own original work.
